Pharmaceutical Congress.

The Lewis and Clark Pharmaceutical Congress will meet at Portland, July 11th-14th. A program of over fifty papers by the ablest writers on pharmaceutical topics is offered. The sessions will be so arranged as not to interfere with the session of the section on pharmacology and materia medica of the A. M. A. The papers to be presented are divided into two main groups, one group treating pharmaceutical topics historically, the other group devoted primarily to pharmacy on the Pacific Coast. Efforts will also be made to organize the pharmacists west of the Rocky Mountains. A complete program and other announcements pertaining to the Pharmaceutical Congress will be found in the June number of the *San Francisco and Pacific Druggist*.

Heavy Sentence for Illegal Practitioner.

The record for heavy sentencing of an illegal practitioner is held by a justice court in Long Beach, Los Angeles County. One "Prof." Norfleet, an itinerant faker who did considerable injury to several of his too confiding "patients" was arrested, tried by a jury, convicted and sentenced to pay a fine of \$250.00 and spend 100 days in the county jail. Los Angeles seems to have taken to heart the aspersion cast upon her some months ago, to the effect that that beautiful city was the "Mecca of the quack."

Sweeping the Sick=Room

While lecturing recently, a Chicago physician—and member of the School Board—declared the prevailing method of dry sweeping a prolific source of disease, due to the spreading of germ-laden dust. Dust, dirt and germs are best removed from floors by first sweeping with a cloth-covered broom, moistened with water containing just a little Platt's Chlorides.
